

## **WINE BIN PROGRAM**

### **INFORMATION & APPLICATION**

#### **I. PRIVILEGES**

*Members will be assigned one bin which holds up to 14 bottles of wine (750ml).*

*Each bin will be marked with a brass plaque bearing the members' name.*

*The member price of wine being purchased for the bin is generally 20% less than the Tosca wine list price.*

*Whenever possible, preferred dinner reservations and table locations will be arranged. Flexibility is appreciated with peak day & time reservations.*

*Members may use the Wine Room for parties of any size on evenings the room is not open or already booked. There is no rental fee for the room. Only food and additional beverage charges apply, along applicable tax and gratuities. Minimum one week notice is required to reserve the room.*

*Members of the program receive one (1) yearly complimentary admission to a Tosca Special Event of their choice including wine dinners and guest chef dinners. Some events excluded.*

*Wine tasting receptions take place 3 or 4 times a year exclusively for the bin members. These tastings generally take place on Thursday evenings and allow for the sampling of wine before being purchased for the bin.*

#### **II. PURCHASING WINE FOR THE BIN**

*All wine from the bin must be purchased through Tosca and can be purchased three different ways.*

- 1. At the wine tastings mentioned above.*
- 2. By requesting specific wine(s) and the wine manager arranging the purchase.*
- 3. Right off the Tosca wine list at a 20% discount (Some exceptions apply)*

*Payment must be made at the time of ordering. Allow two weeks for delivery.*

*Arrangements are to be made with the Tosca Wine Manager regarding purchasing wine*

### **III. ORDERING WINE WITH DINNER**

*Wine cards will be generated listing the wines held in each member's bin. When the member arrives for dinner, the wine card will be presented at the table. The member then chooses wine(s) by signing and dating the card. An additional copy of this card is left in the bin and is signed and dated by the manager pulling the wine.*

*White wines will require a period to chill. It is encouraged for members to call ahead and have their chosen white wine(s) chilled. The same can be done to allow red wine to "breathe".*

*Due to the fact the wines have been pre-purchased, the wine charges do not appear on the guest check. Please keep this in mind when determining server gratuities.*

### **IV. TERMS & CONDITIONS**

*Annual Fee: \$250 per bin.*

*For new members, the fee after July 1<sup>st</sup> is \$125 per bin*

*This fee is billed annually, generally in the months of February or March.*

*Renewal is automatic. Notice must be given by February 1<sup>st</sup> to discontinue the membership.*

*Members are required to purchase a minimum of 12 bottles per year and keep on hand no less than 3 bottles in their bin for a six week period. Failure to comply may lead to the forfeiture of their membership without refund.*

*Members who do not renew their membership occasionally have wine remaining in their bin. These bins will remain in place for an additional six months to allow for consumption.*

*Tosca will not buy back unused wine and wine can not be taken from the restaurant.*

**TOSCA RESERVES THE RIGHT TO SUSPEND OR TERMINATE ANY AND ALL WINE BIN PRIVILEGES AT ANY TIME WITHOUT NOTICE**
